

I want to plant trees for... Fruits!

Species (years to get fruits)

- Grafted Mangos (2.5~3)
- Grafted Avocados (2.5~3)
- Jackfruits (3)
- Grafted Oranges (2.5~3)

Spacing:

Grafted Mangos	8m × 8m
Grafted Avocados	5m × 5m
Jackfruits	3m × 3m
Grafted oranges	5m × 5m

Area: Low rain fall areas (Oranges, Mangos)
High rainfall areas (Avocados, Jack fruits)

I want to plant trees for... Timber!

Species (years to harvest)

- Pine Species(18)
- Eucalyptus Species(12)
- Terminalia Species(12)
- Measopsis eminii(25)

Spacing:

Pine Species	2.7~3m × 2.7~3m
Eucalyptus Species	2-3m × 2-3m
Terminalia Species	4m × 4m
Maisopsis eminii	6m × 6m

Area: Low rain fall areas (Pine Species)
High rainfall areas (Eucalyptus Species,
TeminaliaSpecies, Maisopsis)

I want to plant trees for... Conservation!

Species (years to mature)

- Mahogany Species (70)
- Mvule (70)
- Teak Species (15~40)
- Cordia Africana (20)

Spacing:

Mahogany Species	4-6m × 4-6m
Mvule	6m × 6m
Teak Species	4m × 4m
Cordia Africana	6m × 6m

Area: Medium rain fall areas (Cordia Africana)
High rainfall areas (Mahogany Species)
Both areas (Mvule, Teak species)

I want to plant Ornamental trees!

Species

- Neem tree
- Ashok
- Palm Species
- Cyprus
- Delonix Regia
- Flowers

Areas of planting: Compounds,
Roadside avenues

I want to plant trees for... Agroforestry!

Species

- Albizia Species
- Grivellia Robusta
- Caliandra
- Sesbania

Spacing:

Albizia Species	3-5m × 3-5m
Grivellia Robusta	3m × 3m
Caliandra	4m × 4m
Sesbania	1cm × 1cm

You can grow them along side with crops

I want to plant trees for... Medicine!

Species

- Neem tree
- Prunus Africana
- Moringa oleifera
- Bauhinia Variegata

Spacing:

-Neem tree	4m × 4m
-Prunus Africana	8m × 8m
-Moringa oleifera	4m × 4m
-Bauhinia Ganriagata	4m × 4m
